I am a professional with 12 years of experience and awards on digital manipulation about Filmmaking, Photography, Graphic Design and Social Media. My specialty is in Directing, Special Effects (VFX), Video and Photo Editing and Camera Operating. In addition, I manage a video production from scratch. Meaning I am in charge of the script writing, directing as well as editing.

Experience

- I am working with a photography and video studio in the New York, US. "Judah Avenue" in the editing section.
- Upgraded to "Top Rated" in the worldwide freelancing platform named "Upwork".
- I have worked with the two most famous YouTubers in Greece and Cyprus. 2J who is first in Greece and Cyprus with his two channels and Cat Von K, first female YouTuber in Greece and Cyprus as well. I also created two intros for 2J's channels as well as Cat Von K's intro and logo for her channel.
- Video production for the insurance company in Belgium "Insurance Broker". Directing, shooting, editing and VFX done by me.
- Collaboration with the well-known movie producers Patryk & Kasia Wezowski in Poland, for the creation of their documentary posters called "Leap" and "IMPACT".
- I have taken on the commercial for a cosmetics company with stores all over Greece, called "Dust And Cream".
- Makeup Video for a contest by Inglot and Jennifer Lopez, got second place worldwide.
- I have given seminars in schools here in Greece about video editing and VFX, in Athens, Larissa and Serres.
- I have cooperated with Konstantinos Koufos, a famous singer here in Greece, directed, shooting and editing his video clip.
- I have worked on a project with Lynx who is 4th in Greece on YouTube.
- I have been in four interviews on TV and internet newspapers to talk about editing and Filmmaking.
- I edited the video of "Greek Stunt Riders". Which was the largest motorcycle ride in Greece, sponsored by Yamaha, Harley Davidson and Motul.
- I have designed and created Logos, Flyers, Posters, Business Cards, Simple Websites, Pricelists, Photo and Video Templates, Video Teasers, Trailers, Photoshootings, Covers, Product Photoshoots, Photograph and Video Retouch, on YouTube/Facebook/Twitter and every social media.
- I have been active in more than 350+ projects, counting more than 150+ clients for coffee shop, hotel, music band, models and cinema logos.
- I was working with 4 photography and video studios in Greece and am currently working with the photography studio "RedRec" also in Greece.
- Collaboration with Illy Street Coffee, for two commercials videos.
- I have also cooperated with well-known local businesses such as, Kollias Doors Ltd., Andreadis, Koupourtidis D.& Co. O.E., Rain Coffee Bar, Red Coffee Bar and more.

YouTube

Vatoum Productions has two active YouTube channels (counting 17.000 subscribers both), starting in November 2010 and uploading 50 videos altogether. In my first channel one can watch the main videos and in the second backstage and photoshop speed art videos. i. "Kingsman" has been watched by Andrew Kramer and Tom Andos. Some of their comments included phrases like: "Beautiful film, great shots and color, love the editing, nice effects with the flying tooth, really amazing work, congrats! Just keep doing more of this. You have a lot of talent."

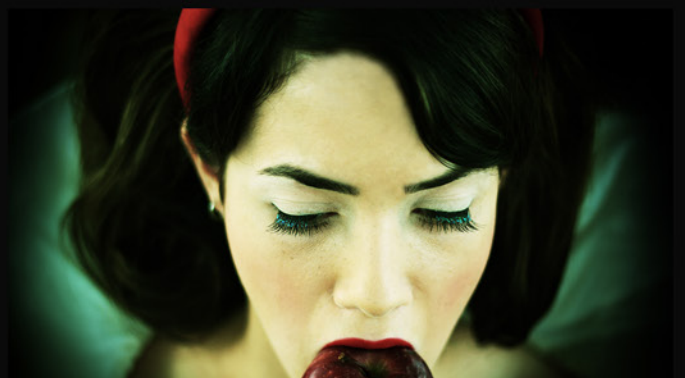

Awarded Projects

- 2011
 - My "Old Man" photo, made it to the top ten Flickr photos in the Photo Manipulation category.
- 2015
 - One of my photos, has been voted as the best picture of the month, by a digital magazine called "Inspiration" and decorated their Home page for a whole year.
- 2016
 - My video "Kingsman" won the first prize (a car) on Ant1 channel, in a contest about post editing.
 - The most famous online magazine in Greece "LIFO" wrote an article about me and my video "Kingsman".
- 2017
 - Canon Greece posted one of my photos on their official facebook page.

I am passionate with what I am doing and looking forward to further advance my skills and knowledge to add value to your business.
